AZPerio Patients . . . we have **FANTASTIC** news!

WE LOOK FORWARD
TO CONTINUING TO
UPHOLD YOUR TRUST
WITH THE CARE OF
YOUR ORAL HEALTH!

Dr. Jeremiah Whetman, your periodontist, has recently acquired the Cottonwood and Sedona practices of AZPerio. As of Tuesday, November 10th, 2020 we will be known as Northern Arizona Periodontics.

WHAT DOES THIS MEAN?

Why was this decision made?

Dr. Whetman, his wife Rebecca, and their children have come to love the Verde Valley and have made this their home. By purchasing these practices, Northern Arizona Periodontics will be able to tailor its care, commitments, and relationships to our community.

Will the staff change?

No, Dr. Whetman and his entire team will continue to find that when the time comes for your annual provide the excellent care and comfort you have medical history update, you will be asked to cobecome accustom to receiving.

a set of Northern Arizona Periodontics new pati

Will the location or hours change?

No, we will continue to be operate as normal:

Monday	Sedona Office	7:50a - 5:00p
Tuesday	Cottonwood Office	7:50a - 5:00p
Wednesday	Cottonwood Office	7:20a - 4:30p
Thursday	Sedona Office	7:20a - 4:30p
Friday	Cottonwood or Sedona	asneeded

Will this affect my account at AZPerio?

No, there should be little to no affect on you as the patient as it pertains to this shift in ownership. All outstanding claims for insurance will still be processed. All balances owed are still due. And, all surgery deposits made in advance are still intact.

Is there anything else I should be aware of?

Despite how much we all dislike paperwork, you will find that when the time comes for your annual medical history update, you will be asked to complete a set of Northern Arizona Periodontics new patient paperwork. We have worked hard to minimize the number of pages needed. We appreciate your understanding as we obtain the necessary documents required to be in compliance with the American Dental Association and the Department of Health and Human Services.
